SET THE COURSE FOR NEO'S FUTURE

This year, you have the opportunity to help create a new, shared vision for a more vibrant, resilient and sustainable Northeast Ohio. The first opportunity is almost here – so *save the date!*

The VibrantNEO process will look at the future of Northeast Ohio through a series of public workshops and online tools. What will it look like in 2040 if we keep doing what we're doing? What are the potential outcomes if we do things differently? **We can only answer these questions together.**
